Subject: THANK YOU TO HIP HOP KIDZ!!

Dear Suzy,

It's very clear to me the quality program you run with the Hip Hop Kidz organization...The quick changes you were able to make after rehearsal last night made a huge difference in performance today and truly created an exciting finale to our corporate show in front of 1,700 screaming employees and corporate officers! The kids brought so much energy to the stage and are such fine examples of what 'Macys entertainment' is all about.

THANK YOU for attending from Florida and ensuring the performance was a rousing success!

Speaking of the future, I'm very much looking forward to the next time we're able to work together!!!

All the Best,
Wesley Whatley
